

What President Trump Did NOT Say

“There must be control! There must be mastery!”

“I feel as big and strong as a bull-moose.”

“The American people are the chosen nation to finally lead in the
regeneration of the world.”

“There comes a time in the life of a nation, as in the life of an individual,
when it must face great responsibilities.”

“Our glorious nation looks into the future with eager eyes.”

“We are face to face with our destiny and we must meet it with a high and
resolute courage.”

“I should welcome almost any war. I think this country needs one.”

No, it was not President Trump – it was President Roosevelt.
